Dear Mr. Walsh:

Please find enclosed my motion to reopen the litigation settlement that was reached in the above case, and send it to Judge Cavanaugh's attention, so that it can be listed for a hearing, and the State properly notified.

I have notified, by letter and a copy of this motion, both attorneys that represented the class, Mr. Lustberg and Ms. Moses.

Thank you for your time and attention in this matter. I will await notification from your office.

Very truly yours,

Ruben Ramos
